3. Alaskan Statehood

The Committee deferred action pending further study by Army and Navy on the proposal made at the last meeting that, in view of the forthcoming statehood of Alaska, no future NIS production be undertaken on NIS Area 65 and current production on that area be disseminated only to U.S. officials (refer to Item 9 b. NCM 271).

4. Request for NIS by International Housing Service

The Committee approved release on a continuing basis for all world areas of the following NIS units to the International Housing Service, Housing and Home Finance Agency, in accordance with justification set forth in the chairman's memorandum of 21 July 1958 (refer to Item 7 NCM 271):

<u>Chapter</u>	<u>Sections</u>
I	10-19
II	25
IV	40, 41, 42, 46
V	50, 53

The Committee approved the above list of NIS units on a continuing basis so that the Home and Finance Agency may be authorized to draw from time to time on extended loan such of these NIS units as are needed in preparation for specific international conferences and exchange visits.

5. Draft Revision of IAC-D-45/12

In conjunction with the examination of the draft revision of IAC-D-45/12 (refer to Item 8 NCM 271), the Committee decided to review the list of controlled areas in Part I, Tab A, of that document. The chairman pointed out that the removal of an area from the control list permits release only of uncontrolled NIS units issued thereafter.
